**OXFORD**  
PRESERVATION  
**TRUST**

**Whilst walking why not take a minute to  
admire the skyline of Oxford.**

## Creative Activity:

Why not try to recreate the dreaming spires using natural materials around you.

Think about how to recreate the scene with sticks, leaves, stones, feathers and any other

Photograph your creative work or send us your Haiku

## Literary Activity:

How would you describe the dreaming spires?

Can you make a Haiku which describes the view?

A Haiku has the format of three lines, the first and third with 5 syllables, the second with 7 syllables. E.g.:

Glorious Oxford

Tall spires touching the sky

Heritage viewpoint
